

ComfortStar®

Air Conditioning and Heating

FEATURES & BENEFITS

HD2

Three-Speed Air Handler Unit

ComfortStar **HD2** Series Air Handler warrants state-of-the-art technology, optimum quality and long lasting reliability. Obtain the excellence in comfort when installed in single, multi-family and light commercial applications.

HD2 Series is suitable for use with R22 or new R410a, a chlorine-free refrigerant, resulting in peak energy efficiencies and long service life and zero ozone depletion potential.

One of the best Manufacturer's Limited Warranties in the industry is offered for added protection. Details are in our web site, we welcome you to contact our offices.
